

# FRANCIS JEROLD M. REVADONA

BS Chemistry 3-A

# A OUT ME

-  I live in Cotabato City. Because of my fascination with Chemistry, I am pursuing BS in Chemistry in Ateneo de Davao University.
-  When I'm not studying, you may find me reading fictional books, watching anime, or listening to any random music genre depending on my mood.

# KILLS &

# CAREER GOALS

## Skills

- Analytical
- Proficient in MS Word, Excel, and Powerpoint
- Collaborative
- Innovative

## Career Goals

- To be an organic chemist, whose research focuses on efficiency, green chemistry, and synthesize products that are beneficial to society.
- To share my knowledge in the field of chemistry.

# HIEVEMENT
